No School – Veterans Day

November 11

No School - Thanksgiving Break

November 25 through November 29

Please Keep in Mind:

If your child has a fever, they must be fever free for 24 hours prior to returning to school.

The flu can look a lot like a cold. If they are experiencing muscle pain, fatigue, chills, and a high fever, please seek medical treatment. We want all our children to stay healthy this flu season!

A Message from Principal Swanson

Our mission at American Classical Charter Academy is to develop within our students a foundation of virtue and knowledge by delivering a rigorous, classical, liberal arts education with a strong emphasis on the rights and duties of American citizenship. Our mission is what guides our decisions, actions, and motivation at ACCA. Every day presents another opportunity to live a virtuous life and grow our knowledge base. That is why we are intentional about utilizing every minute of every day.

Along with that mission, I would like to introduce our new vision statement... “Learn. Lead. Change the World!” Not only do we want students at ACCA to demonstrate virtue, knowledge, and respect for our country, we want them to become leaders in our community and our world! When students are empowered by the knowledge they receive from a classical education, they will have the skills, knowledge, characteristics, and leadership qualities to bring about lasting change. My promise to you is that ACCA will continually work to develop our student’s knowledge base and instill the necessary values that will give our students the tools they need to be successful in an ever-changing society.

Peter Swanson, Principal

Spotlight on Success

This semester we had 21 students make the A/B honor roll! Additionally, we had 4 outstanding students who achieved straight A's!

(Almost 50% of those students had perfect attendance, coincidence? Probably not...)

We also highlighted 4 students who showcased their exceptional values of Respect, Accountability, Integrity, Service, and Excellence this semester!

Way to go to all our outstanding students!

Perfect Attendance

Awesome job to our 26 first quarter perfect attendance students (and their parents who made it happen!)

Being in class on-time, all day, every day, is critical for success in school. Unless a student is sick and contagious, we want to see their smiling faces here and ready to learn!

Web Updates

You may have noticed a change to the end of our e-mails in our recent contacts with you. Our new e-mail domain is now: @accaschools.org

This is to match our brand new website address which is:

accaschools.org

Hopefully, you will find this shorter site easier to remember and type!

What Our Parents are Saying About ACCA

Message from the Art Room

Our Art teacher Mrs. Brown would love your help gathering some supplies for upcoming art projects. Some examples of what she needs are:

- Large & small plastic bottles
- Foil
- Plastic wrap
- Cardboard egg cartons
- Wax paper
- Brown paper bags
- Rinsed out plastic bottle lids (all sizes and colors) and jar lids
- Magazines
- Newspapers
- Corks
- Paint chips
- Shaving cream
- Cardboard paper towel and toilet paper tubes
- String
- Dry noodles
- White birthday candles

REMINDERS

Now that we are in the second quarter, students should start to be familiar with their weekly routines. Please make sure your student knows which clubs they are enrolled in and on which days. If your student is not going to be attending their weekly club, please do your best to let us know so we can keep them in carline rather than sending them to their club.

Our Yankee Candle Fundraiser continues through October 30th! All funds raised will go towards improving the resources available to our students in the classroom.

"Prior to ACCA, my children dreaded going to school. Now, each morning is approached with eagerness and an excitement to continue learning that was not present before."
